
Installing, Configuring & Administering Windows XP Professional

Duration: 1 Day Course Code: M2285E

Overview:

If you prefer to learn independently, Official Microsoft E-Learning courses directly from Microsoft provide a simple and effective way for you to learn at your own pace and on your own schedule. Take e-learning to improve your skills, prepare for a project or an exam, earn certifications, or alongside attendance of an instructor led training course.

Microsoft E-Learning courses provide 365 days access to the curriculum of your choice, with most including hands-on virtual labs. Each E-Learning voucher purchased is valid for 12 months - for further information on purchasing this E-learning title, please visit <http://www.azlantraining.com/uk/default.aspx?page=1783>.
